2745 PORTER ST SOQUEL CA 95073

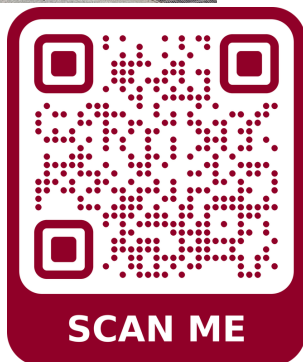

4182 SqFt Lot | Zoning C-G-GH | Building SqFt 1,352

A Stylish yet Classic 3-Suite Office Building with common lobby, kitchenette and restroom in a "Hollywood Bungalow" style, newly renovated, listing includes a detached 400 SF storage building, plus a 20'x50' easement in perpetuity with room for oversize vehicle parking at the rear of property. A full permit package has been put together to replace the existing ancillary structure with a new attached 900+- SF Warehouse/Garage wing with two 450+- SF Residential units above (pending final parking approval). Complete plans, engineering and supporting materials are available from the contractor who developed the concept with the possibility of hiring him to handle the permitting and construction, with an estimated completion date of less than 9 months. This is a rare opportunity to acquire a heritage property with excellent added mixed-use development potential, perfectly situated in the midst of the many parks, shops and restaurants of nearby Soquel Village and Main Street.
